

# WILL THE FOUR-DAY WORKING WEEK EVER BECOME A REALITY?

A handful of businesses across the UK have signed up to the pilot of a four-day working week, a trial that will see no loss in pay for employees working one fewer day per week. But how is the prospect of a four-day week perceived by employers and professionals alike? Do they think it could have a positive impact? Will it ever become a reality throughout the world of work?

## What's the current state of play on the four-day working week?

**Methodology**  
These findings are based on a survey carried out between 15th February-1st March 2022 that received 9,658 responses from professionals across the UK.

## Top three areas professionals think a four-day working week would have a beneficial impact on:

## When do you think the four-day working week will become a reality?
